

Adobe Creative Cloud for teams

Applications System Requirements—June 2016 Release

Adobe After Effects CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9, v10.10, or v10.11
- 4GB of RAM (8GB recommended)
- 6GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- Additional disk space for disk cache (10GB recommended)
- 1440x900 display
- OpenGL 2.0–capable system
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated ray-traced 3D renderer
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Core 2 Duo or AMD Phenom II processor with 64-bit support
- Microsoft Windows 7 with Service Pack 1, Windows 8, Windows 8.1, or Windows 10
- 4GB of RAM (8GB recommended)
- 5GB of available hard-disk space; additional free space required during installation (cannot install on removable flash storage devices)
- Additional disk space for disk cache (10GB recommended)
- 1280x1080 display
- OpenGL 2.0–capable system
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated ray-traced 3D renderer
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see www.adobe.com/legal.html). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Animate CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9 (64 bit), v10.10 (64 bit), or v10.11 (64-bit)
- 2GB of RAM (4GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x900 display (1280x1024 recommended)
- QuickTime 10.x software recommended
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or Intel Centrino, Intel Xeon, or Intel Core Duo (or compatible) processor
- Microsoft Windows 7 (64 bit), Windows 8 (64 bit), Windows 8.1 (64 bit), or Windows 10 (64-bit)
- 2GB of RAM (4GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x900 display (1280x1024 recommended)
- QuickTime 7.7.x software recommended
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see www.adobe.com/legal.html). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe Audition CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9, v10.10, or v10.11
- 2GB of RAM
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1280x800 display
- OpenGL 2.0–capable system; optional GPU for optimum video playback performance
- USB interface and/or MIDI interface may be required for external control surface support (see manufacturer's specifications for your device)
- Optional: Optical drive for CD burning (SuperDrive recommended)
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy* (see www.adobe.com/legal.html). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Multicore processor with 64-bit support
- Microsoft Windows 7 with Service Pack 1 (64 bit), Windows 8 (64 bit), Windows 8.1 (64 bit), or Windows 10
- 4GB of RAM
- 4GB of available hard-disk space for installation; plus additional free space required during installation (cannot install on removable flash storage devices)
- 1920x1080 display
- OpenGL 2.0–capable system
- Sound card compatible with ASIO protocol, WASAPI, or Microsoft WDM/MME
- USB interface and/or MIDI interface may be required for external control surface support (see manufacturer's specifications for your device)
- Optional: Optical drive for CD burning
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe Bridge CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9, v10.10 (64-bit), or v10.11 (64-bit)
- 2GB of RAM (8GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended) display with 16-bit color and 512MB of VRAM (1GB recommended)
- OpenGL 2.0–capable system
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy* (see www.adobe.com/legal.html). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Core 2 Duo or AMD Athlon 64 processor; 2GHz or faster processor
- Microsoft Windows 7 with Service Pack 1 (64 bit), Windows 8.1, or Windows 10
- 2GB of RAM (8GB recommended)
- 2GB of available hard-disk space for installation; 2.1GB of available hard-disk space for 64-bit installation; plus additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended) display with 16-bit color and 512 MB of VRAM (1GB recommended)
- OpenGL 2.0–capable system
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe Dreamweaver CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9, v10.10, or v10.11
- 2GB of RAM
- 1.1GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1280x1024 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy* (see www.adobe.com/legal.html). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7, Windows 8, Windows 8.1, or Windows 10
- 2GB of RAM
- 1.1GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1280x1024 display with 16-bit video card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe Illustrator CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9, v10.10, or v10.11
- 2GB of RAM (8GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended)
- Optional: To use GPU Performance, Your Mac should have a minimum of 512MB of VRAM (2GB recommended), and your computer must support OpenGL version 4.0 or later.
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 with Service Pack 1, Windows 8, Windows 8.1, or Windows 10
- 1GB of RAM (3GB recommended) for 32 bit; 2GB of RAM (8GB recommended) for 64 bit
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended)
- To view Illustrator in HiDPI mode, your monitor must support a resolution of 1920x1080 or more.
- OpenGL 4.x
- To use the new Touch workspace in Illustrator, you must have a touchscreen-enabled tablet or monitor running Windows 8.1 (Microsoft Surface Pro 3 recommended)
- Optional: To use GPU Performance, NVIDIA video adapter listed below (medium/high-end recommended); 1GB of VRAM (2GB recommended); and latest drivers for optimal performance
- The following video adapter series support the new Windows GPU Performance features in Illustrator:

NVIDIA

- NVIDIA Quadro K Series
- NVIDIA Quadro 6xxx
- NVIDIA Quadro 5xxx
- NVIDIA Quadro 4xxx
- NVIDIA Quadro 2xxx
- NVIDIA Quadro 2xxxD
- NVIDIA Quadro 6xx
- NVIDIA GeForce GTX Series (4xx, 5xx, 6xx, 7xx, 9xx, Titan)
- NVIDIA Quadro M Series

Intel

- Intel HD Graphics 4000 Series
- Intel HD Graphics 5000 Series
- Intel Iris Graphics 5000 Series
- Intel Iris Pro Graphics 5000 Series

AMD

- AMD Radeon R9 Series Graphics
- AMD Radeon R7 Series Graphics
- AMD Radeon HD 7000 Series Graphics
- AMD Radeon HD 8000 Series Graphics
- AMD FirePro V Series Graphics
- AMD FirePro W Series Graphics

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see www.adobe.com/legal.html). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Adobe InCopy CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9, v10.10, or v10.11
- 2GB of RAM (4GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card (supports Retina display)
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy (see www.adobe.com/legal.html). Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 with Service Pack 1, Windows 8, Windows 8.1, or Windows 10
- 2GB of RAM (4GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe InDesign CC

Mac OS

- Multicore Intel processor
- Mac OS X v10.9, v10.10, or v10.11
- 2GB of RAM (8GB recommended)
- 2.5GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card; supports Retina display
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy. Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Pentium 4 or AMD Athlon 64 processor
- Microsoft Windows 7 with Service Pack 1, Windows 8, Windows 8.1, or Windows 10
- 2GB of RAM (8GB recommended)
- 2.6GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 32-bit video card; supports HiDPI display
- To use the new InDesign Touch workspace, you must have a touch screen enabled tablet/monitor running Windows 8 or above (such as Microsoft Surface Pro 3) with the screen resolution set to 2160 x 1440 or more
- Adobe Flash Player 10 software required to export SWF files
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe Muse CC

Mac OS

- Intel processor with 64-bit support
- Mac OS X v10.9, v10.10 (64-bit), or v10.11 (64-bit)
- 2GB of RAM
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional terms of use and the Adobe Privacy Policy. Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Core 2 or AMD Athlon 64 processor (2GHz or faster)
- Microsoft Windows 7 with Service Pack 1, Windows 8.1, or Windows 10
- 2GB of RAM
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe Photoshop CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9, v10.10 (64-bit), or v10.11 (64-bit)
- 2GB of RAM (8GB recommended)
- 2GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 16-bit color and 512MB of VRAM (1 GB recommended)*
- OpenGL 2.0–capable system
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

* 3D features will be disabled with less than 512MB

† NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy*. Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Pentium 2 or AMD Athlon® 64 processor; 2 GHz or faster processor
- Microsoft Windows 7 with Service Pack 1, Windows 8.1, or Windows 10
- 2GB of RAM (8GB recommended)
- 2GB of available hard-disk space for 32-bit installation; 2.1GB of available hard-disk space for 64-bit installation; additional free space required during installation (cannot install on removable flash storage devices)
- 1024x768 display (1280x800 recommended) with 16-bit color and 512MB of VRAM (1GB recommended)*
- OpenGL 2.0–capable system
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

Adobe Photoshop Lightroom CC

Mac OS

- Multicore Intel processor with 64-bit support*
- Mac OS X Server v10.9, v10.10, or v10.11
- 2GB of RAM (8GB recommended)
- 1024x768 display
- 2GB of available hard-disk space
- 1GB of video RAM (VRAM); 2GB of dedicated VRAM is suggested for large, high-resolution monitors, such as 4K- and 5K-resolution monitors
- 2GB of available hard-disk space (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- OpenGL 3.3–capable video adapter for GPU-related functionality
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

* Dual-core processor recommended for HD or AVCHD video functionality

† NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy*. Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel or AMD processor with 64-bit support*
- Microsoft Windows 7 with Service Pack 1, Windows 8, Windows 8.1, or Windows 10
- 2GB of RAM (8GB recommended)
- 1024x768 display
- 1GB of video RAM (VRAM); 2GB of dedicated VRAM is suggested for large, high-resolution monitors, such as 4K- and 5K-resolution monitors
- 2GB of available hard-disk space
- OpenGL 3.3 and DirectX 10–capable video adapter for GPU-related functionality
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.†

Adobe Prelude CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9, v10.10, or v10.11
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- Additional disk space for working files (10GB recommended)
- 1024x768 display (1280x800 recommended)
- OpenGL 2.0–capable system
- 7200 RPM or faster hard drive (multiple fast disk drives recommended)
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy*. Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Core2 Duo or AMD Phenom II processor with 64-bit support
- Microsoft Windows 7 with Service Pack 1 (64 bit), Windows 8 (64 bit), Windows 8.1 (64 bit), or Windows 10
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- Additional disk space for working files (10GB recommended)
- 1024x768 display (1280x800 recommended)
- 7200 RPM or faster hard drive (multiple fast disk drives recommended)
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe Premiere Pro CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9, v10.10, or v10.11
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a case-sensitive file system or on removable flash storage devices)
- Additional disk space required for preview files and other working files (10GB recommended)
- 1280x800 display
- 7200 RPM hard drive (multiple fast disk drives configured for RAID 0 recommended)
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy*. Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

Windows

- Intel Core2 Duo or AMD Phenom II processor with 64-bit support
- Microsoft Windows 7 with Service Pack 1 (64 bit), Windows 8 (64-bit), or Windows 10 (64-bit)
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on removable flash storage devices)
- Additional disk space required for preview files and other working files (10GB recommended)
- 1280x800 display
- 7200 RPM or faster hard drive (multiple fast disk drives configured for RAID 0 recommended)
- Sound card compatible with ASIO protocol or Microsoft Windows Driver Model
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Adobe SpeedGrade CC

Mac OS

- Multicore Intel processor with 64-bit support
- Mac OS X v10.9 or v10.10
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional free space required during installation (cannot install on a volume that uses a casesensitive file system or on a removable flash storage device)
- Additional disk space required for preview files and other working files (10GB recommended)
- 1680 x 1050 display required; 1920 x 1080 display and second professionally calibrated viewing display recommended
- 7200 RPM hard drive (multiple fast disk drives configured for RAID 0 recommended)
- Dedicated GPU card with at least 1GB of VRAM
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Optional: For SDI output, NVIDIA Quadro SDI Output card
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Tangent CP200, Tangent Elements family or Tangent Wave control surface
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

Windows

- Intel Core i7 processor with 64-bit support
- Microsoft Windows 7 with Service Pack 1 (64-bit) or Windows 8 (64bit)
- 4GB of RAM (8GB recommended)
- 4GB of available hard-disk space for installation; additional hard disk space required during installation (cannot install on removable flash storage devices)
- Additional disk space required for preview files and other working files (10GB recommended)
- 1680 x 1050 display required; 1920 x 1080 display and second professionally calibrated viewing display recommended
- 7200 RPM hard drive (multiple fast disk drives configured for RAID 0 recommended)
- Sound card compatible with ASIO protocol or Microsoft Windows Driver Model
- OpenGL 2.0-capable system
- Dedicated GPU card with at least 1GB of VRAM
- QuickTime 7.6.6 software required for QuickTime features
- Optional: Adobe-certified GPU card for GPU-accelerated performance
- Optional: Tangent Element control surface recommended; Tangent CP200 family and Tangent Wave control surface also supported
- Optional: For SDI output, NVIDIA Quadro SDI Output card
- Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.*

* NOTICE TO USERS: Internet connection, Adobe ID, and acceptance of license agreement required to activate and use this product. This product may integrate with or allow access to certain Adobe or third-party hosted online services. Adobe services are available only to users 13 and older and require agreement to additional *terms of use* and the *Adobe Privacy Policy*. Applications and services may not be available in all countries or languages and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.
